“Social Determinants of Health: Now is the Time” webinar (*registration required for credit*)

- **Presenter:** Bebe Smith, MSW, LCSW
- **Program Description:** Social determinants of health are the conditions in which people are born, grow, live, work and age. They are shaped by the distribution of money, power, and resources, and drive health inequities. Health policy is shifting to incorporate attention to these issues to improve population and individual health. This presentation will define social determinants of health and describe strategies for assessment and intervention in behavioral healthcare.
- **Continuing Education Hours available**

****Please see the separate training flyer to register for the training event (and receive credit); no registration is necessary for the Provider Forum.*
