Re: Year End Closing Process

Sandhills Center receives State (IPRS) funding on a July 1 – June 30 fiscal year. We are now in the process of preparing to close the accounting period for the fiscal year that ends June 30, 2023. We anticipate finalizing that process by the beginning of August.

If you have an IPRS contract with Sandhills Center, please submit all claims for fiscal year of July 1, 2023 to June 30, 2023 as quickly as possible. All claims for dates of service prior to July 1, 2023 must be **received by 5:00 pm on August 10, 2023** to be applied to your 2022 - 2023 fiscal year contract. If no funding remains on the agency's contract, claims will deny. Any dates of service prior to July 1, 2023 that are received after August 10, 2023 will be applied to the agencies 2023-2024 fiscal year contract.

Medicaid claims are not affected by the same fiscal year requirements, but still must be submitted timely to be reimbursed.

If you have any questions or need any additional information, please let us know. Thank you in advance for your cooperation in submitting your state claims in a timely manner.
