Public Comment

- Public Comment will be reviewed by the State Stakeholder Group on Friday, August 21st.

NC Innovations Waiver

- 1915(c) waiver
- Home and Community Based Services Waiver
- Allows states to “waive” some of the standard federal Medicaid rules
 - Specific populations and eligibility requirements
 - Additional services
 - Use Medicaid funding to support people in their homes and communities

NC Innovations Waiver

- Adults and children with I/DD
- Would otherwise qualify for institutional services
- 12,488 people are on the Waiver

Increased Military Capacity

Increases Capacity for:

- Individuals who were receiving Innovations waiver services prior to family transferring to another state and have now returned to North Carolina will be prioritized for Innovations waiver funding.
